" Joe says, "Yes, really. I've always been careful about things like that. It's just hard to let go of that stuff. Makes me feel like a criminal."

"Well, dude, I hesitate to bring you up to speed, but just about everybody but me and a nice lady that used to work for you thinks you are a criminal. Following the epistemology embodied in 'walks like a duck, quacks like a duck,' you might as well act like one, no?" She softens her response with a grin.

"Anyway, I think we're set up now. If you need to talk to me, open this Olegarten Fabricating site and go to Place an Order. It will ask for your Representative number, which I have tagged on
